

**Amendments to the Claims:**

This listing of claims will replace all prior versions, and listings, of claims in the application:

**Listing of Claims:**

1-9. (Canceled)

10. (Previously Presented)      A hand tool with spirit level functionality comprising:

(a) a web having a recess with a pair of opposite vial supports, each said vial support having a lower lug and an upper lug for snugly receiving a cylindrical level vial lengthwise and diameterwise therein; and

(b) a pair of annular retainer clips that can be slidably displaced along said level vial, each said retainer clip having a pair of diametrically opposite notches so as to provide a sliding mounting on a vial support, each said upper lug and lower lug of said pair of vial supports terminating in a widened tip, and each notch of said pair of retainer clips terminating in a horseshoe shaped recess such that a retainer clip can be snap fitted onto a vial support for securely mounting said level vial in said web.
